

# Protect your vehicle, Secure your belongings.

You are less likely to become a victim of vehicle crime in Warwickshire than in many other counties but this is no consolation if your phone, wallet, handbag or satellite navigation equipment is taken and your vehicle damaged in the process.

## Here's what you can do to help:

-  Never leave anything on view
-  Take audio and sat nav equipment with you
-  Remove the sat nav cradle and wipe away the suction marks
-  Never leave the car with the engine running, or the keys in the ignition
-  Fit self-locking screws to prevent number plates being stolen
-  Always lock your car and fully close windows and sunroofs
-  Check your door handles to make sure it's locked
-  Fit anti-theft devices to steering wheels, fuel caps and wheels
-  Park in a safe place or a secure car park
-  Never leave your mobile phone behind when leaving the car
-  Don't store items in the boot, take them with you
-  Don't keep vehicle documents in the car.
