Dear Mr Harrison,

Further to our telephone discussion today, I confirm that I would be willing to provide planning advice, on a consultancy basis, to the group progressing the above plan.

My normal hourly rate for planning consultancy work is £75.00 per hour, with a minimum charge of £250.00, alternatively, I would make a charge of £500.00 per day, maximum. I do not charge for travel or subsistence expenses, but I would recharge the group for any expenses I incur, directly, for specific plan related items.

I would not be available to make any significant contribution to the work of the group until 27th May 2014, due to other commitments.

I look forward to hearing from you, in due course.

Yours sincerely

Stewart Vick
